Cherokee Indians Hang Tough with Calvert

The Indian fans drove 150 miles to see the two top teams in District 16 lay it on the line last Friday night. The Calvert Trojans are ranked #1 in the state, the Indians #38. The Trojans learned early in the game that the Indians came to play ball. The Trojans won the toss and deferred to the Indians. Cherokee took the kickoff and were moving the ball respectably well when a holding penalty set them back. Calvert took over on downs and 3:21 into the game, scored on a 7 yard run. The 1 point PAT was successful. The Indians were borrowing a strategy from the basketball playbook and were virtually running a stall offense. They would call a play in the huddle and wait as long as possible before coming to the line of scrimmage to get the ball snapped. This worked effectively to keep the ball out of the Trojans' hands. If they don't have the ball, they can't score. The Indians worked the ball down the field and with 3:59 remaining in the 1st quarter, Kevin Jones scored from 20 yards out. Juan Arredondo booted the PAT and the Indians were ahead of the Trojans 8-7. The Indians put up a great goal line stand as the quarter was winding down. The Trojans faced a 4th down on their 1 yard line when Hunter Fry recovered the fumbled ball. This kept the Indians lead intact as the quarter ended.

Indians Skin Armadillos, 52-6

Behind the effective passing of senior Colt McCoy, the #3 ranked Jim Ned Indians defeated the San Saba Armadillos 52-6 last Friday night at Rogan Field.

Saldivar And Phillips Qualify For Regional

At the cross country meet in Coleman last week, Yesenia Saldivar and Casey Phillips both qualified for regional which will be held this week-end at the Mae Simmons Park in Lubbock. Both runners are freshman this year, so this was quite an achievement.

Coyotes secure playoff spot

The Richland Springs Coyotes guaranteed themselves a trip to the playoffs with a big win last Friday night over the Santa Anna Mountaineers by a score of 70-20. The game was called at the 2:23 mark at the 3rd quarter, because of the 45 point mercy rule. The Coyotes struck first in a big way when Tyler Fox went 70 yards around the end for the Coyotes touchdown. Alvaro Avila added the PAT kick. Santa Anna did not waste anytime tying the score with a 58 yard TD pass from M. Vasquez to P. Kerr. Kerr then added the PAT kick. On the ensuing kick off, the Mountaineers were able to recover the ball. Exactly one minute later, Santa Anna had the momentum and the lead in the game. M. Vasquez and P. Kerr hooked up again, this time from 25 yards out. The kick failed, giving the Mountaineers a 14-8 lead. The Coyotes responded quickly with a 1 yard TD run by Tyler Fox and an Alvaro Avila PAT kick. This put the Coyotes back on top 16-14. The mountaineers were forced to go three and out on their next possession. The Coyotes got good field position on the Santa Anna punt and quickly marched deep into Mountaineer territory, but the drive stalled when the Coyotes turned the ball over on the 1 yard line. On the next play, the Coyote defense swarmed the Santa Anna quarterback and Tyler Fox was credited for a Coyote safety. The Coyotes scored the last touchdown of the 1st quarter with a 27 yard pass from Tyler Ethridge to Logan Lewis. Alvaro Avila added the PAT kick, bringing the score to 26-14.

The Richland Springs JV Coyotes End Season With 8-0 Record

The Richland Springs JV Coyotes improved to 8-0 on the season as they beat the Santa Anna Mountaineers last Thursday night by a score of 28-6. The game was called early in the 2nd quarter due to the lack of players of Santa Anna. The Mountaineers started the game with only six players, but one of their players suffered an injury and the game ended. We want to wish the Mountaineer player a speedy recovery. The Coyotes started quick with a 47 yard TD run by Nathan Dempsey. The PAT kick failed. The Coyotes defense was then credited for a safety, which made the score 8-0. On the ensuing kick off, Coyote Mark Williams returned the free kick 50 yards for a touchdown. Patrick Couch added the PAT kick.

CHEROKEE ISD MISSION STATEMENT

Cherokee ISD exists to educate all students to their full ability including developing character and instilling values. It is the responsibility of the district to provide each student with an opportunity to receive a quality education by providing professional staff, appropriate materials and resources, and a positive, flexible, safe environment.

The district further believes that the learning environment will be most effective when there is considerable parental and community involvement. This will improve the student's self-esteem and sense of security as he or she becomes more integrated as a worthy member of the community. This will also provide admirable role models for the student to learn family and community responsibilities. It will foster flexibility in dealing with exceptional individuals and will underscore the importance of the individual and of the education process.
